E&OE

RECEPTION: Our huge client reception is ideal for pre-session meetings. Wi-Fi is available everywhere. Coffee, chilled water, soft drinks, juice, biscuits, home made bread/toast and a range of standard & herbal/fruit teas are available. Meals can be bought-in locally, added at cost +5% to your session invoice.

BOOKING A SESSION:

Pencils are offered on the basis that if a confirmed booking comes in, we can withdraw your pencil after giving you fair notice.

Sessions **must** be confirmed in advance in writing (email) with details, booking duration, persons/voices attending and any specific deadlines/editing requirements. Minimum booking is 1 hr from the hour or half-hour only, thereafter in 1/2 hr blocks. Cancelled confirmed sessions will normally be charged.

We may be able to offer a pre-booked provisional 30 mins over-run - but we reserve the right to grab this back.

20% admin is added to most bought-in costs - deliveries, voices, equip hire, cabs, o/going ISDN & phone-patch calls...

Within your charged booking there will be a short period of time needed for adjusting microphone placement, checking levels etc. At the end, consolidating files, exporting, burning CD/DVDs, uploading files/Pro Tools sessions. (Over-runs may not always be possible.)

FILE DOWNLOADS/UPLOADS

We have our own protected file delivery site and a We Transfer Plus account. See rates to the right.

OUT-OF-HOURS FEES: Our normal office hours are 09.00-18.00. Outside of these times we charge an extra £40 p/hour. Early and late taxis/meals may be charged - we feel this is only fair. Weekends & Bank Hols are charged at higher rates and with a minimum 3 hr booking.

PRINTING/PHOTOCOPYING:

Over 20 pages may be charged at 5p per page.

PAYMENT: These rates apply on the basis of payment strictly within 30 calendar days of the invoice date for account clients. We normally check account applications against a credit risk database. If adverse, then cash/plastic. We can invoice and receive your payments in GBP - or Euros/USD using our bank's suggested conversion rate at the time of invoicing. Sorry, no USD checks. We do take Amex/Visa/MCard - but for USD/Euro invoices beware they may use higher currency conversion rates/fees.

We charge "time booked" - even if not all used, plus any over-runs.

Any video files should be sent the day before. Ask for our "Video Specs" sheet. We always respect client confidentiality.
